Dear Public Service Commission

**Re. Docket No. 2014-373-T Request for extension for 30th of April 2015 to
complete the ORS requirements**

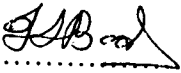

Thank you for the given extension for completing ORS requirements according to my previous request. I could not ask for a specific date for extension at that time because I could not assume the period needed to obtain the business license from the city of Columbia. Finally, the taxi license for Carolina Express 1 has been approved by the City of Columbia on 12th of March 2015 after waiting for an extended period of time. I have attached the copy with this letter for your information.

However, I could not proceed purchase insurance and obtain Chaufferus license until getting the certificate from the city of Columbia. According to the Public Service Commission set dead line I could not complete these requirements to get the ORS certificate.

Therefore if you could give another extension until 30th of April, I can finish all the requirements for ORS needed to obtain the certificate. I really do not like to ask for several extensions for this matter. Since I need to operate Carolina Express 1 in the city of Columbia, I had to wait for the approval form from the City.

I would be grateful if you could provide another extension until 30th of April 2015.

Thank you

.....
